

Audiences don't want to be audiences anymore. The drive to create and contribute is transforming shared experience. The best brands become cultural movements.

Puncture is a culture-creating design studio.

Overview

We are looking for a Senior Designer to produce and oversee creative solutions. To be successful in this role, you should have in-depth knowledge of brand, graphic design, styles, layout techniques, and technical detail. You should have experience executing projects from conception to production – including research and discovery.

Reporting to the Creative Director, you will ensure the design team promotes high-quality and meaningful work.

Responsibilities

- Oversee design projects, from conception to delivery
- Responsible for the quality and presentation of creative work
- Generate ideas to portray concepts
- Design original pieces
- Review junior designers' work to ensure high quality
- Present and articulate rationale for designs with Creative Director
- Effectively communicate direction to the team and feedback information from client/design reviews
- Stay up-to-date with industry developments and tools
- Help solve problems

Experience and Skills Required

- Excellent creative standards
- Excellent communication and presentation skills
- Excellent time management
- Dedicated, passionate and challenging
- And to lead, manage and inspire
- Strong conceptual ideas
- Self motivated, competent and a team player
- Loves discipline of identity and branding
